

Forward in Faith

Lutheran Teacher Scholarship

We have a Lutheran teacher shortage. One reason for that is the rising cost of higher education.

The **Forward in Faith Lutheran Teacher Scholarship** is a \$2,000 merit scholarship given to students who intend to enroll in the CUW Lutheran teaching program and eventually teach in a Lutheran school (LCMS).

Selection

Scholarship recipients will be selected based on an eight-to-ten minute competitive video submission which addresses the following prompts:

- Share a personal story, moment, or experience which explains why you want to become a Lutheran school teacher.
- How has God equipped you in a special way to become a Lutheran school teacher?
- How will your Lutheran classroom or approach be different than a teacher serving in a public school?
- What is your greatest fear or challenge in wanting to become a Lutheran teacher? What do you plan to do about it?
- What is the one thing that you would want a future Lutheran school principal to know which separates or differentiates you from others?

Submission

Please submit video and any questions to:
