

ACCELERATED BACHELOR OF ARTS IN SECONDARY EDUCATION SOCIAL STUDIES

MOTIVATE STUDENTS TO LEARN ABOUT THE WORLD

Through a blend of the social sciences, history, and humanities, you will learn to guide your students through a myriad of perspectives and social structures, and be able to adapt such lessons for the next generation of thinkers. Perhaps most importantly, you will understand how to help your students discover how people relate to each other, how we interact as groups, and how we organize our thoughts, religions, and governments. With a foundation in social studies, your students will be able to understand the world around them, and their place in it.

Upon completion of this online accelerated program, you will earn your Bachelor's degree in Secondary Education - Social Studies and your Wisconsin teaching license. The accelerated courses can be scheduled to complete this program in three years or at the pace you prefer.

This is a program for Wisconsin teacher licensure. This program does NOT grant graduates a Michigan teacher license. A Michigan resident who takes this program would earn both a bachelor's degree in Secondary Education and a Wisconsin license. If he/she wanted to transfer that license to Michigan (or any other state), there is a process outlined by the individual state education departments. For Michigan residents, the Michigan Department of Education would outline the steps necessary to see if a license can be transferred.
