

PHOTOGRAPHY MAJOR**52 credits**

The Photography Major consists of 52 credit hours of course work, 18 of which are completed through a cooperative program with the Milwaukee Institute of Art & Design (MIAD). MIAD is just a 15-minute drive from our Mequon campus and offers the very latest in photographic concepts and technologies. Photography students have access to darkroom facilities on the Concordia campus and MIAD campus. In addition to the 48-credit Liberal Arts core and required courses listed below, all photography majors must complete requirements for a Minor (18-21 credits). To help students develop vital skills for a successful career in photography, recommended minors are Multimedia, Marketing or Business. *For specific information about MIAD courses please visit the MIAD website at www.miad.edu.*
