

Dear Dr Steffen:

My name is Lois Harrison. I am one of the co-coordinators of a Special Olympics program called FUNfitness here in Wisconsin. FUNfitness provides fitness screenings for Special Olympics athletes at their sporting events. We have just completed our second FUNfitness screening event on Saturday August 8<sup>th</sup> in Oshkosh and I wanted to let you know that the following students from your PT program volunteered their time to help out at the event.

Melanie Schultz  
Megan Scray  
Krista Bitetto  
Monique Serpas  
Melissa Bellinger  
Jessy Beyer  
Erin Wagner  
Andrea Kriese  
Jen Braier  
Stephanie Georgia  
Rebecca Porwoll  
Dana Pechawer  
Stacey Snider  
Megan Seney  
Nicole Hale  
Holly Cotter

We had a total of 48 volunteers who helped to screen 157 athletes, and provided valuable education for improving flexibility, strength and balance to athletes, coaches, and caregivers. Your students were extremely professional in their participation at the event and it was inspiring to see so many physical therapists, physical therapist assistants, students, and family members working together to provide screening, education, and caring for such outstanding athletes. Please recognize these students for their selfless giving of their time and talents to this wonderful program. It was a privilege to work with them!

Sincerely,

Lois Harrison
