## Parent E-Newsletter

Concordia University Wisconsin sends prayers to all affected by the shooting at VA Tech on April 16, 2007.

### CUW Students Reminded of Services Available to Them

Concordia students, faculty and staff were invited to a special Noon Bible study on Tuesday, April 17th. Pastor Steve Smith led a discussion and Bible study following the VA Tech shooting on April 16th. Comments were received from students, faculty, and staff. Pastor Smith and others directed those in attendance to numerous Bible verses such as Psalm 10 and 46.

All in attendance were also reminded that we are part of the Concordia community as well as Christ's family. Because of this it is our place to do all we can to assist others when they have concerns and cares of any kind. One way to support each other is through Concordia's Counseling Center, Health Services, and speaking with a trusted faculty or staff person.

For more information on Concordia's security procedures see the hyperlink below. Mario Valdes is Concordia's Director of Campus Safety; his contact information can be found on the CUW security web site.
