

School of Adult Education Adjunct Faculty Positions
Concordia University Wisconsin
Health Care Management Major

Concordia University Wisconsin, School of Adult Education, needs part time adjunct instructors for a series of courses in the Health Care Management Major at the Mequon campus in the evening. This undergraduate program serves adult learners, many of whom hold full time jobs during the day. Courses are accelerated, lasting between four and eight weeks, meeting four hours per night from 6:00 to 10:00pm. Courses are scheduled by cohort, with the following courses beginning between February, 2008 and April, 2009.

Management Principles in Health Care – 4 weeks
Eldercare – 4 weeks
Health Care Ethics – 4 weeks
Health Care Marketing – 6 weeks
Financial Issues in Health Care – 6 weeks
Strategic HC Planning and Evaluation – 6 weeks
HC Practicum – 8 weeks

Applicants must have relevant professional health care experience at the management level and a minimum of a Master's degree.

Concordia University Wisconsin does not discriminate in employment on the basis of color, national or ethnic origin, disability, gender or age. However, Concordia is an institution of the Lutheran Church Missouri Synod, and to the extent allowed by law, reserves the right to give preference based on religion.
