# MEQUON BARS

*Smoking allowed at all bars.*

## **PRICE PER DRINK EXCLUDING BEER**

\$ = \$5 or less

\$\$ = \$5-\$10

\$\$\$ = \$10+

## **HELPFUL TIPS**

### **Payment**

- Most bars accept all major credit cards, but cash is always appreciated!
- Generally, you should tip \$1 per drink you order.
- The bartender may ask you, “*Do you want to start a tab?*”
  - This means that you will give the bartender a credit card that he will hold.
    - You do not need to pay after each drink because the bartender will keep track of your drinks on your credit card.
  - When you are done drinking, ask the bartender, “*Can I close my tab?*”
    - Your bartender will then charge all of the drinks you ordered to your credit card.

### **General Information**

- Northshore bars have no dress codes.
- As always, you and your party must be 21 years of age or older.
- Always have a *Designated Driver* (driver who is not drinking)!
