THE UNIVERSITY

Concordia University is one of nine colleges or universities in the Concordia University System, which is owned and operated by The Lutheran Church - Missouri Synod.

Mission Statement
Concordia University is a Lutheran higher education community committed to helping students develop in mind, body, and spirit for service to Christ in the Church and the world.

Vision Statement
Our vision is to be well known nationally and internationally as a premier Lutheran Christian university, widely recognized for meaningful integration of faith and learning. Concordia’s Vision is Vigorously Pursued in Four Critical Ways:

We are a Faith and Learning Centered Higher Education Community.
Concordia students learn in innovative Christ-centered environments that are guided by comprehensive assessment. Our faculty, staff and University administrators are role models and servant leaders. Our Christian faculty excel in teaching and mentoring, and successfully connect to faith to learning. Our academic programs are rigorous and diverse, consistent with the needs of the Church and our communities.

We Plan for Purposeful Growth.
Students grow as they develop in mind, body and spirit. Concordia grows as we reach more people with our mission. Our campuses, facilities, human and financial resources, and infrastructure expand to support a robust student experience in a welcoming environment that results in the professional, social, academic and spiritual formation of all Concordians.

We Make an Impact Through Service and Leadership.
Concordia impacts the Church and the world, developing globally-minded citizens who transform lives, influence communities, and value their neighbors near and far, through Christ-like service and leadership.

We Champion Access and Opportunity for All Learners.
We provide access to the highest value higher education experience. As a result, Concordia students discover and develop their vocations. Rigorous assessment of our academic offerings, university services, delivery systems, and market and organizational performance result in continuous improvement of the Concordia experience, which enables our students to pursue and persist in their chosen career paths.

#### Church Vocation Students

- Full-time students who are preparing themselves for one of the church vocations within The Lutheran Church-Missouri Synod and have maintained a grade point average of at least 2.00

Part-time students are not eligible to participate in intercollegiate competition or to hold any campus office.

A student enrolled in a degree program must matriculate through admissions. Upon his/her acceptance, the University is committed to do all it can to help the student successfully complete his/her chosen program.

Accordingly, each degree seeking student is assigned to an advisor.

A non-degree student wishing to change to degree status shall make application to the Vice President of Enrollment Services (cf. Special Admissions).

Classification is determined by the total number of credits completed including those accepted by Concordia from other college or university and is established as follows:

**Academic Ethics**

Mutual respect and concern for one another in the atmosphere of a Christian caring community is the basic principle which should govern the relationship between student and instructor. Faculty are professional in their expectations of academic excellence and students respond with an appropriate level of effort and commitment. Unprofessional conduct and unethical behavior are serious breaches of the academic contract. The ethics code of the university provides for due process, and grievance procedures are detailed in the Student Handbook.

**Grading**

Formal reports of the student's progress are available at the close of each semester.

The following grade point systems is used in connection with these grades:

<table>

</tr>
</tbody>
</table>

**Final Examinations**

Faculty policy requires a culminating experience, such as a final examination or project during the finals week of a traditional semester. Exemptions to final examinations may be offered to students carrying an A for the course at the discretion of the instructor. First semester freshmen are not eligible for exemptions. Second semester freshmen and sophomores can be exempted from one exam per semester. Juniors and seniors can be exempted from no more than 2 exams per semester.

If an instructor offers exemptions and students elect to take them, the instructor must submit the name of the course and the names of students taking the exemption to the office of the Provost’s Office before the second last week of the semester.

**Incomplete Grades**

An incomplete grade given in any term (i.e., first and second semester, Winterim, Summer Session) becomes a failing grade if the work is not completed within three weeks after the end of the final examination period for that term or by the time agreed to between the instructor and student. Requests for extension of time to resolve an I grade will be approved only when the instructor is satisfied that circumstances prompting the request justify waiving this three-week policy. In unusual circumstances, beyond the control of the student and the approval of the instructor, incomplete grades can be held for one semester.

**Individual Instruction/Independent Study/Guided Study**

Students may be given the option of taking a course as Individual Instruction or Independent Study or Guided Study. Further information is available on the CU Portal.

**Transcripts**

An official transcript bears the seal of the University and the signature of the Registrar or his/her representative. Official transcripts may be given to students or alumni or can be mailed directly to institutions or persons considering the applicant for admission or for employment.

An unofficial transcript is given to the student whose credits are listed thereon and is marked unofficial. Concordia University accepts no responsibility for the accuracy of an unofficial transcript after it has been issued.

Federal regulations require the student's signature before the record can be released. You can access the transcript request form by visiting our website: www.cuw.edu

**Class Adds-Drops**

A student may add a course before no more than 15% of the scheduled class periods have occurred. The table below is a guide for the various courses and the maximum times of meeting after which registrations are not permitted. Consent of the instructor must also be secured.

<table>
<thead>
<tr>
<th>Course Credits</th>
<th>Value Class Periods</th>
</tr>
</thead>
<tbody>
<tr>
<td>1/2</td>
<td>1</td>
</tr>
<tr>
<td>1</td>
<td>2</td>
</tr>
</tbody>
</table>
A regular semester class may be dropped without an impact on a student’s GPA through the end of tenth week of class (for seven week classes - end of the fifth week). Failure to withdraw from a class will result in a grade of F.

A full-time student may register through the last day of the first full week (5 days) of classes in the semester.

The instructor’s signature is required after the first week.

Audit Policy

An audited class will appear on the transcript as a zero-grade point class with a grade of AU, and no credits earned. Students may sign up to audit a traditional class before the semester starts as long as there is room in the class. After the semester starts, students may change their registration status from enrolled for credit to audit up until the drop deadline. Students taking accelerated classes must register as an audit before the class starts. The university offers audits on a space-available basis, and programs/majors/instructors have the ability to not allow audits: such policies need to be stated in writing. Self-paced online classes cannot be audited.

A student who audits a course has access to the in-class (and/or online) didactic portions of the course. The student is expected to attend class, but the student is not required to participate in any of the course’s assessment activities, and the instructor is not required to assess the student’s progress in the course (that includes the formulation of a comprehensive assessment such as a course grade). The university does not require, expect, or allow the student with a documented disability – other than a physical disability – to participate in its disability services process, as the students will not take part in the university’s course assessment. Skills courses, such as foreign language, applied music, and some art courses are not available for audit.

Change of Name or Address

Students are to promptly notify the Registrar in writing of any change in name or address.

Academic Honors

The Provost’s Scholastic Honors List

The Provost's Scholastic Honors List for the University is composed each semester of those full-time students who have a semester grade point average of 3.6 or above. Students must earn at least 12 undergraduate credits in a semester to be eligible; graduate credits are not considered for this honor.

Graduation with Honors

- A candidate who achieves a cumulative grade point average of 3.90 or better will be graduated Summa Cum Laude
- One who achieves a cumulative grade point average of 3.80 or better will be graduated Magna Cum Laude
- One who achieves a cumulative grade point average of 3.60 or better will be graduated Cum Laude

Awards

Concordia considers it right and proper to recognize through special awards unusual proficiency and performance in a certain area of learning as well as in worthwhile and purposeful co-curricular activity. Many such awards are given annually to students who have demonstrated exceptional achievement or who have made unusual contributions. From time to time, friends of Concordia have established such awards and have usually stipulated conditions under which the respective award should be given. Since in these instances the recognition aspect is more important than the financial element, Concordia has listed these as awards rather than scholarships. Such awards include:

- American Bicentennial Award in Business
- Walter W. Stuenkel Award
- E .R . Brann Citizenship Award
- Science Awards in Life Sciences, Mathematics, and Physical Sciences
- Wilhelm Schickard Award in Computer Science
- Moeller Award in English, German, Greek, Hebrew, Latin, and Spanish
- Religion Award
- Northup-Bartelt Memorial Music Award
- Nightingale Nursing Award
- Charles W. Finke Health and Human Performance Award
- Marsha Konz Student Educator Award
- Marsha Konz Graduate Educator Award
- CUW Visual Arts Award
- Søren Kierkegaard Philosophy Award
- Zondervan Publishing House Award in Greek, Hebrew, and Theology

Academic Probation and Dismissal Policy

In general, an undergraduate student is considered in good academic standing if s/he maintains a cumulative grade point average of 2.0 or higher. Academic standing is assessed at the end of each semester and must include at least two courses. When a student’s cumulative grade point average dips below 2.0, s/he is placed on academic probation. The student remains on probation if subsequent semester GPAs are 2.0 or above, but his/her cumulative GPA remains below 2.0. However, if at any time on probation, the student’s semester GPA again dips below 2.0, s/he will be dismissed from the University. In general, students must have a 2.0 GPA or higher in order to graduate. It should be noted, however, that some undergraduate programs have their own standards for academic good standing and program completion, which work in conjunction with the aforementioned general standards.

Appeal Process

Adult learners who are dismissed from the University may appeal their dismissal in writing to their Center Director or to the Executive Director of Continuing and Distance Education. The appeal should include an explanation of what went wrong and a plan for improvement. The Center Director or Executive Director of Continuing and Distance Education will then consult with any appropriate academic staff to offer a recommendation to the Assistant Vice President of Academics for Student Success if the student is a Mequon student or to the Chief Academic Officer (CAO) at Ann Arbor if it involves an Ann Arbor student. The AVP of Academics for Student Success or the Ann Arbor CAO will then notify the student of their decision. Stipulations may be attached to a favorable decision. Students who lose their appeal must sit out at least one traditional, 15-week semester, after which they may re-apply for
admission. Their re-application will be enhanced if they can demonstrate academic success at another school in the intervening period.

All dismissed students may appeal a decision to the President of the University (if at Mequon) or to the Chief Administrative Officer (if at Ann Arbor) in writing within 5 working days of the decision only if they can demonstrate that due process was not followed.

Grading
The following grade point system is used in connection with these grades:

<table>

A candidate who achieves a cumulative grade point average of 3.90 or better will be graduated Summa Cum Laude; one who achieves a cumulative grade point average of 3.80 or better will be graduated Magna Cum Laude; and one who achieves a cumulative grade point average of 3.60 or better will be graduated Cum Laude.

Additionally, the Scholastic Honors List for the University is composed each semester of those full-time student(s) who have a semester grade point average of 3.6 or above.

Incompletes
It is expected that the required work be handed in the day it is due. Occasionally an emergency or extenuating circumstance may prevent a student from completing the assigned work.

If all the requested material has not been handed in by the final session, the student may, at the discretion of the instructor, request to receive an “I” for the module. The instructor, through the use of a Grade Change/Incomplete Report, will inform the student of the work that needs to be completed and the due date. The due date can be no later than three weeks after the last module session date.

If the “I” has not been satisfied by the due date, the student will receive a grade for the course based on what they had previously submitted with “zero” points for all missing work of the course. This grade will remain on the transcript, though a student repeating the module which receives a higher grade will have that grade computed into the GPA.

General Academic Grievances
The steps listed below are to be carried out with an attitude of Christian love and concern for academic, moral, and spiritual growth. Face-to-face meetings are encouraged throughout the process, but may not be possible because of the situation.

• Step 1: The student meets with the instructor to resolve the matter informally.
• Step 2: Face-to-face Ann Arbor students should proceed to step III. Traditional undergraduate students submit a written grievance to the Department Chair of the program in which the course was taught within 10 working days after meeting with the instructor. Upon receipt of the student’s grievance, the Department Chair will notify the instructor, who will then have 10 working days to submit a written explanation of the incident to the Department Chair. Within 5 working days of receiving the instructor’s report, the Department Chair will send a written response to the student and the instructor. Adult learners follow this step with their Center Director. Graduate students follow this step with their Program Director. Full-time online students follow this step with the Executive Director of the OCDE.
• Step 3: If the student is still not satisfied, s/he may file a written complaint with the Dean (at Mequon) or campus Dean (at Ann Arbor) of the School in which the course was taught within 10 working days of receiving the step II report (if applicable). The Dean or campus Dean will render a decision and send a written response to the student, the instructor, and the Step II University official (if applicable) within 10 working days of receiving the grievance.

Absences and Tardiness
Class interaction is an integral part of our accelerated program and because courses in the program are only six weeks in length, students are expected to attend all class periods of the courses in which they are registered. Site based classes require both classroom and online participation. In the case of an emergency which would cause a student to miss a portion of class, students must contact the instructor and their advisor either before the absence or within 24 hours following the absence. Absence from a course may result in a lower grade, depending on the professor’s grading policy. Undergraduate students missing more than 4 hours of class (including arriving late and leaving early) will constitute excessive absence and may be required to drop the class. If emergency circumstances dictate missing a session, please notify the center staff and the instructor. If a student knows that an absence is inevitable (proposed surgery, long planned vacation, etc.) it is better to discuss with your instructor before the course begins, regarding what your best options would be regarding successful completion of the course.

Academic Dishonesty
Academic honesty is the foundation of our education institution. Without it, we make a mockery of the academic endeavor and the ultimate rewards associated with a degree in higher education. At Concordia, honesty is central to our Christian identity and way of relating to one another. The names of students found guilty of engaging in academic dishonesty will be reported to the Provost’s Office. Types of academic dishonesty can be defined in the following manner:

• Cheating: includes, but is not limited to: a) the use of unauthorized assistance in taking any type of test or completing any type of classroom assignment; b) assisting another student in cheating on a test or class assignment, including impersonation of another student.
• Plagiarism: includes, but is not limited to: a) failure to give full and clear acknowledgement of the source of any idea that is not your own; b) handing in the same assignment for two different courses without the consent of the instructors.
• Fabrication: includes, but is not limited to: the forgery, alteration, or misuse of any University academic document, record, or instrument of instruction.
• Academic misconduct: includes, but is not limited to: intentionally or recklessly interfering with teaching, research, and/or other academic functions.

**Disciplinary Actions**

• First instance: The faculty member determines the penalty. This may include any of the following: an opportunity to redo the assignment or test, a reduced grade on the assignment or test, a failing grade on the assignment or test, a lower grade in the course, a failing grade in the course, or removal of the student from the course.
• Second instance: The faculty member determines the penalty, and the campus-specific Chief Academic Officer (CAO) or designee connects with the student at which time additional sanctions may be imposed.
• Third instance: The faculty member determines the penalty, and the Academic Conduct Board (ACB) meets with the student at which time additional sanctions may be imposed. On the Mequon campus the ACB consists of the CAO at Mequon, AVP of Academics for Student Success, and the Dean of the School in which the student resides. If the student is an adult learner, the appropriate Center Director joins the ACB. If the student is a graduate student, the appropriate Program Director joins the ACB. The decision of the ACB is final.

**Appeal Process**
On the Mequon campus students may appeal a faculty-issued academic dishonesty decision or penalty in writing to the Dean of the School in which the course was offered within 15 working days of receiving the report. The Dean (in consultation with the Department Chair or Program Director or Center Director) will consider the appeal and render a decision within 10 working days of receiving the appeal and issue a written response to the student.

**Dropping a Class**
Undergraduate students who withdraw before the first class session, but within 48 hours before the class, will be assessed a $55 drop fee plus a charge for books not returned in good condition.

**Course Waiver**
In cases where a student has acquired a great deal of knowledge in a subject through work experience, but has never earned credits in the subject, a waiver may be granted. A student may request a waiver by writing a letter to the Dean responsible for the course and providing documentation showing that he/she has knowledge of the material covered in the course.

Waivers are limited to the major courses only, and are not available for core courses inside or outside the major. The request for waiver should be submitted well in advance of the course to allow time for approval.

**Student Transcript Evaluation**
Upon receipt of all official transcripts, a "transcript evaluation" of previously earned credits and the courses needed to complete your degree will be provided. This evaluation will show how transfer credits were applied to the core, major, and elective requirements. Students are responsible for checking their official transcript evaluation. This document is the school's statement of what is required to complete your degree. If you have questions about your transcript evaluation, talk to your advisor.

Students should use their transcript evaluation to track progress throughout the program by recording the grade received for each module. By using the evaluation as a tracking tool, you will know when the required credits have been completed.

When you anticipate graduation, contact your advisor to schedule a meeting to review your file and assure that you have met the requirements of your degree. This meeting is the first step in the graduation process.

Within the Accelerated Learning Center's bachelor's degree programs, a student's grade point average on the Concordia transcript will be based on the credits taken after entering Concordia University. It does not include the GPA for coursework taken prior to entering Concordia. College level courses in which the student earned a "C-" or better will be reviewed for transfer from regionally accredited colleges and universities.

Students seeking a certificate must complete 30 credits at Concordia University, allowing for a maximum of 12 credits can be transferred.

Students seeking an associate's degree must complete 36 credits at Concordia University, allowing for a maximum of 27 credits can be transferred. Students seeking a bachelor's degree must complete 36 credits at Concordia University, allowing for a maximum of 84 credits can be transferred.

**Withdrawal from the Program**
If a student finds it necessary to withdraw completely from the program, he/she should inform their Academic Advisor in writing, carefully explaining the circumstances surrounding the decision to withdraw. The Business and Financial Aid Offices will then make adjustments to the account and financial aid package.

If the student has not been enrolled in courses for twelve months or more, he/she will re-enter under the policies and academic requirements in effect at that time.

**Graduation**
Concordia University confers the degree of Bachelor of Arts, Bachelor of Science, Bachelor of Science Nursing, or Bachelor of Social Work on a student of good character who has met the following requirements:

Code of Student Conduct
CU strives to maintain a safe learning community for all students. The new Code of Student Conduct, which applies to Accelerated Learning students, outlines specific policies and can be located at: www.cuw.edu/consumerinformation. These policies describe the level of respect and discipline CU expects in order to become a safe learning community for all.

Classroom Visitors
Students are encouraged to bring prospective students to onsite classes as guests; however, they must first receive approval to do so from local Center Director. Students may not bring minors to class, nor may minors be left unattended at the School. Concordia University is not liable for the safety of children left unattended while at the School.

Name/Phone/Address Changes
Students frequently have name, phone number and address changes. Please notify your center of such changes as soon as they occur to enable the university offices to contact you about matters in your best interest. Legal documentation will be required for all name changes.

CU E-Mail Account & Portal Access
As a student at Concordia University, there are some important web systems you will need to access. The my.cuw.edu portal provides a secure, single sign-on to CU’s online information systems. The Portal allows students to check email, pay account balances, register for classes, look up grades, do research, and much more, all in one convenient location. Students are encouraged to check their CU email regularly as it is the primary account used by staff and other students.

Students need a user name and password to start using the my.cuw.edu Portal. Students can visit https://student2.cuw.edu/passwords to set their password. Then go to: http://my.cuw.edu. Your student ID # (F00) will be your user name. If you have problems or questions, contact the Information Technology Help Desk at ithelpdesk@cuw.edu or (262)243-HELP (4357).

Falcon One Card (Library Card)
Students on the Mequon Campus obtain their picture ID card (Falcon One Card) in the Library during regular office hours and on evenings and weekends when a Reference Librarian is available. Please check librarian availability on the library portal page or call 262-243-4330 prior to coming in to have your ID made. All other students will be issued ID cards through your center.

Your Falcon Card contains a barcode 450... (located on the back of the card) for accessing the library catalog or the reference databases to which Concordia subscribes. The first time you log into the website to access your TOPCAT account you will be prompted to create a PIN number (PIN must be a minimum of four characters). This is to ensure your account information is private and secure. For instructions on how to set up a PIN, please see the following site: http://topcat.switchinc.org/screens/help_pin.html#howlog. If necessary, a replacement card can be obtained for $25.00.

The library website is available at http://www.cuw.edu/Departments/library/index.html or through the CU Portal.

About Instructors
Instructors teaching at the Accelerated Learning Centers have work experience in the area of their competency and a minimum of a Master’s degree. They meet Concordia’s expectations for instruction in an accelerated learning environment. Some instructors are employed full-time at Concordia while others are employed full-time either at other academic institutions or in the business world. Part-time faculty is hired to teach at Concordia because of the competency they bring to the classroom. The author of the module is not necessarily the instructor who is teaching the class. Concordia reserves the right to schedule any of its qualified instructors for a given module.

Concordia is committed to providing academic excellence for students in attending programs at the Accelerated Learning Centers. Each module and instructor is evaluated by the students. The Center Directors and the Executive Director/Dean review these evaluations. Instructors submit a comment sheet each time they teach to provide their feedback on the materials used.

Instructors who, on a regular basis, do not meet student/director expectations are not allowed to continue to teach in the program. Periodically, the Center Directors and the Executive Director/Dean review the quality of teaching in the classroom and meet with instructors to develop more effective learning environments.

Class Cancellation
Weather conditions can develop making it necessary to cancel class for the evening. The decision to cancel class will be made no later than 3:00 p.m. and a notice posted on the Portal, Accelerated Learning Centers tab. If there is a question about whether or not classes will be held, please call your center.

Textbook Loan Program
Concordia provides textbooks to students of some Accelerated Learning Center programs through a book loan program. Please take care of your textbooks and keep them in good condition. You may highlight in them as you study but please do not write in them. The Office of Continuing and Distance Education provides the information on how the students order those books after they register.

Accelerated Learning Center textbook loan program course textbooks must be picked up at your center before the class begins to allow for completion of homework due the first night. Textbooks must be checked out in person. If you plan to have someone else pick up your books for you, someone in the center office must be notified in advance. Loaned textbooks should be returned to your center within two weeks of course completion. Students must return his or her textbook, from our book loan program, within 30 days of the end of their class, or will be assessed a non-refundable book replacement charge.
Textbooks are NOT provided for the following programs offered at Concordia’s Accelerated Learning Centers: Nursing courses, the Teacher Certification program, the Medical Assistant certificate program, Social Work courses, Accounting courses, and all Master’s level courses.

Cell Phones & Other Electronic Devices
Cellular phones and other electronic communication devices should be turned off or silenced when entering a classroom. If you need to exit the classroom to respond to an emergency call, please do so with a minimum of disturbance.

Ethics/Discipline
Out of respect for academic excellence and moral responsibility, each student is expected to employ the highest ethical standards in taking tests, writing papers and projects, and using material from the library. Should a student violate the ethics code by plagiarism, cheating or theft, he/she will be subject to penalties up to and including dismissal from the program.

Honor Pledge
Students taking courses from the School of Business and Management are asked to inscribe the Honor Pledge at the end of each assignment submitted (or on the cover page), using handwriting when possible. This pledge reminds students of their commitment to academic integrity.

“As I develop in mind, body, and spirit, I pledge on my honor that I have not given, received, witnessed, nor have knowledge of unauthorized aid on this or any [assignment, quiz, paper, test]” [Signature of Student]

A student’s financial aid eligibility may change if a student changes their schedule after the term has begun by adding or dropping courses. It is highly recommended students meet with their academic advisor and financial aid counselor prior to dropping a course or registering for courses to avoid any schedule changes during the term. If a student fails to meet academic standards (maintain a 2.0 or better cumulative GPA), he/she will become ineligible for financial aid.

Federal student loans are available to graduate students seeking degrees.

- Students may take a minimum of three graduate credits per semester to qualify
- Campus-based students are eligible for up to $20,500 or up to cost of attendance per academic year to cover the cost of tuition, books, fee, transportation and living expenses
- Students who apply through FAFSA will receive an email at their Concordia address after they are accepted to a graduate program and are registered for a course. Directions for online financial aid acceptance will accompany the email

Concordia University offers Federal Title IV funding in the form of Federal grants and Federal Subsidized and Unsubsidized Loans. To apply for financial aid, students must complete the “Free Application for Federal Student Aid” (www.fafsa.ed.gov) each academic year.

**Financial Aid**

**Student Financial Responsibilities**

Tuition is due for payment on or before the first night of class. The responsibility for making these payments rests with the student, not the Center, the Office of Financial Aid or the Business Office.

Each month, a statement will be e-mailed to the student documenting payments in the account and payments due. Regardless of whether or not a statement is received, tuition is due on or before the first night of each course. Checks may be mailed to the Business Office, delivered to the Cashier’s Office, or turned in to the Center. Checks should include the student’s identification number (F00 number) to ensure proper credit.

Students can view their account on the CU Portal (click on ‘Student Services’ tab, ‘My Statement’) and pay bills online.

Students anticipating to receive grants or loans must have completed the FAFSA application for these loans with the Financial Aid Office to begin class.

Questions should be directed to Concordia Financial Aid Office at: finaid@CUW.edu or 800.243.4569.

Financial aid will be processed after a student has registered and has submitted all necessary paperwork to the Financial Aid Office. Financial aid is awarded based on grade level and the number of credits a student registers for each term. At Concordia University, an undergraduate student is considered full-time if he/she attends and is enrolled in 12 credits per term (Fall: July 1st - December 31st; Spring: January 1st - June 30th). Students who take less than 12 credits per term may be eligible for financial aid. Students receiving financial aid must be enrolled and have turned in one or more assignments in at least 6 credits each term to qualify for halftime status.

Grade level is based on the below completed credits:

**Employee Reimbursement**

Many employers offer tuition reimbursement for students advancing their education. Students using Employer Reimbursement must have either the payment for each class or have financial aid in place on the start day of the class.

**Non-Traditional Approaches to Earning Credit**

**NOT APPLICABLE FOR ALL PROGRAMS**

Prior approval must be obtained before enrolling in any of the options listed below. All transcripts must be on file at Concordia to ensure there will be no duplication of coursework.

**Independent Study**

Independent Study allows students to develop a course of study in a subject area for which there is not already a module or credits on the student’s transcript. Through the completion of the proposal, the student will state goals and objectives, materials to be used, and means of assessing the learning. An advisor will be assigned to the study. It is the responsibility of the advisor to supervise the completion of the study and to report to Concordia satisfactory completion of the work, at which time credit will be awarded.

**Travel Studies**

Travel opportunities are available to non-traditional students through CU’s International Studies Department. Travel study participants must contact the sponsor of the trip to obtain the required forms and must complete the necessary paperwork. Credits earned through travel experience may apply to the core or elective areas.
Students may be eligible to receive a grant for global education if they have earned at least 60 undergraduate credits or 21 graduate credits from Concordia University Wisconsin. Applications for this grant must be submitted by the 15th of May, prior to the trip's departure date. See your advisor for the proper forms and look at our website for specific requirements and a listing of available studies. [https://www.cuw.edu/Departments/StudyAbroad/](https://www.cuw.edu/Departments/StudyAbroad/)

**Prior Learning Assessment**

Prior Learning Assessment of experiential learning allows accepted students to seek credit by documenting college-level knowledge and competence acquired outside a classroom setting. Prior Learning Assessment (PLA) Workshops are periodically conducted at each center and an online portfolio workshop is also available. During these sessions the students are guided through the process of determining what constitutes college-level learning, the process of developing each petition for credit, and how to document learning. Attendance at a PLA Development Workshop or completion of the Online PLA Workshop is required. Contact your advisor to learn about how to participate in a workshop.

Prior Learning credits, if awarded, apply only to the elective area, though 2 of the 21 possible credits may apply to the physical development core requirement. For an AA degree, a maximum of 7 credits may be applied toward the degree. For a BA degree, a maximum of 21 of the required elective credits may be earned through PLA, unless 2 are used for physical development. A per credit evaluation fee is charged for Prior Learning Assessment portfolio submissions. This evaluation fee is not returned if credits are not awarded. Credits awarded through Prior Learning Assessment are not likely to be transferrable to another school.

All official transcripts for any credits to be transferred to Concordia should be on file prior to submitting a Prior Learning Assessment portfolio to avoid duplication of credits. Submissions may not duplicate any coursework completed at Concordia. Students should submit portfolios by the first of each month to be reviewed by the Prior Learning Assessment Committee. Petitions should be submitted for only the number of credits needed. The evaluation fee per credit, $55, must be submitted with the portfolio. Students will be notified by mail of the committee's decision. Credits denied may be resubmitted for reconsideration in certain cases. In the case of a new petition, the charge is $55; in the case of a revision, there is no charge.

**College level Examination Program (CLEP) and Defense Activity for Non-Traditional Education Support (DANTES)**

Applicants qualify for such credit by satisfactory achievement on college approved placement examinations, including the College Board Advanced Placement Tests, CLEP (College Level Examination Program), or faculty-authored challenge examinations. These programs serve students who want recognition for college level achievement acquired outside the conventional classroom. Students require prior approval from their advisor and complete a Transfer Request Form so that the individual record can be checked to be sure that the proposed credits will be accepted. Students will need to allow at least two weeks for these requests to be processed. To receive credit for either CLEP or DANTES tests students may not have credit for similar coursework on their transcripts. College credit total a maximum of 30 semester credits may be earned by satisfactorily completing such examinations.

**American Council on Education (ACE) and National Program on Non-collegiate Sponsored Instruction (PONSI)**

ACE and PONSI are organizations which validate for-credit coursework completed through non-collegiate education and training programs. The student must have official copies of the educational transcripts sent to Concordia.

**Life Office Management Association (LOMA) and American Institute of Banking (AIB)**

LOMA and AIB provide means to receive college credit for company training professional development programs through an employer. The student must have official copies of the educational transcripts sent to Concordia.

**Military Credits**

Military Credits are granted based on the evaluation of an official joint service transcript, or for military service prior to 1981, DD 214 documentation.

**Online Course Policies**

Concordia University cares about the active engagement of students in coursework. Just as showing up for work is critically important to job security and work effectiveness, showing up for class, whether it is online or face-to-face, is critically important for students to master the career skills and concepts necessary for the degree in which they seek. Every effort should be made by students to attend and be academically engaged in every class and/or laboratory session.

**Online Attendance Policy**

Attendance in an online course is defined as “active participation in the assignments laid out in the course syllabus”. For these purposes, an assignment is an individual discussion, quiz/test or drop box submission that is completed in the Learning Management System and is eligible for grading.

Attendance may include, but is not limited to, participating in a weekly discussion board, completing a journal entry, or submitting/completing assignments in the Learning Management System (LMS). Logging into a course, without engaging in one or more of the above activities, does not qualify as attendance.

As of January 1, 2016, student attendance is tracked for all online courses and failure to be actively participating in a course — without communication to the instructor or response to outreach — will result in a student being administratively withdrawn.

Once a course begins, a student will remain active in the course unless he/she:

- Requests to drop/withdraw from the course;
- Is administratively withdrawn from the course for failure to begin;
- Is administratively withdrawn from the course for non-attendance;
- Is administratively withdrawn from the course for other reasons, e.g., disciplinary suspension, etc.
The University reserves the right to initiate an administrative withdrawal from a course whenever a student violates the Attendance Policy.

PLEASE NOTE: A drop/withdraw – whether requested by the student or performed by the University for one of the reasons listed previously – cannot be overturned. Students are encouraged to speak to their academic advisor AND the financial aid office to understand academic and financial implications BEFORE requesting to drop/withdraw from a class.

**Online Non-Attendance Definitions**

- **Never Attended Class**: A student who has not attended class (i.e. submitted work in the LMS) as of 11:59pm CST on the 28th day (for self-paced), or 8th day (for collaborative), will be administratively withdrawn from the course. A $55 non-refundable fee will be charged to the student's account for failure to begin.
- **Submitting Work Outside LMS**: A student submitting work outside of the LMS (i.e. work emailed to instructor; work submitted in an alternate system such as WILEY, LiveText, etc.) is not considered to be in attendance.
- **Attending but Becomes Absent**: A student who has attended class but becomes absent per the definitions below, with no contact to the instructor, response to outreach, or documented request to drop the class, will be administratively withdrawn. The student will be assigned a failing grade (F) if the withdraw occurs past the drop deadline. Absence in online courses is defined as not participating in discussion threads or turning in assignments.

- Absent 3 consecutive weeks of a 12-week collaborative course

Accelerated Second Degree BSN

FIND A NEW PATH

Nurses with Bachelor’s degrees are in high demand, and according to the Bureau of Labor Statistics, the profession is expected to grow 16% by 2024. Nationally, BSN programs offered as a second degree are also growing in response to this demand. Registered Nurses experience strong earning potential and high levels of career satisfaction. If you already hold a bachelor’s or higher degree in another field and wish to pursue nursing as a second career, CUW’s accelerated BSN can get you on your path quickly.

PROGRAM HIGHLIGHTS

Students progress through the program as part of a cohort. They are immersed in the content by taking one course at a time, with clinical courses taken concurrently with the corresponding theory course. Classes are offered in a blended delivery using a concept-based curriculum. Web-based resources and a strong foundation in simulation promote active, hands on, engaged learning.

Clinical, lab and simulation experiences are held primarily Friday-Saturday-Sunday-Monday in the skills and simulation labs on campus, and in acute, long-term care, transitional, homecare, and community-based settings. A transition-to-practice residency at the program’s end prepares graduates to confidently enter professional nursing practice.

Social Work

Major: Social Work
Social work is a diverse and dynamic profession. Grounded in social justice and a professional code of ethics, social workers can be found in all levels of the helping professions. Social workers develop skills in helping people navigate complex systems of care. They provide counseling and psychotherapy to individuals, families, and groups. Social workers can be found in social and health care services. They participate in political advocacy and support legislative changes that create a more balanced and just world. The profession is built on an academic knowledge base that supports competency-based learning.

Students receive hands on training through professionally supervised and mentored internships. Graduates are eligible for licensure in most states and enjoy job security in one of the fastest growing professions in the country. Social work is a profession with many possibilities for diversity in practice and careers.

The mission of the CU Social Work Program is to prepare graduates for baccalaureate level, generalist social work practice, within the context of faith, service, and social justice.

Generalist social work practice means that social work majors learn how to help others in many broad-based ways. They may assist individuals, families, groups, communities, and organizations in a variety of social work or related settings. Generalist social work practice includes helping people from a strengths perspective, which means recognizing, supporting, and building on the innate capabilities of all human beings.

The mission of the Social Work Program also includes the importance of a faith perspective that provides the support, energy, and commitment to make a difference in the lives of others. The mission inspires majors to use the force of their individual personal selves and professional skills in service to others and encourages majors to work for social and economic justice for those who may be forgotten or marginalized in our larger society. Social work embraces six core values. They include:

1. The values of service
2. Social justice
3. The dignity and worth of each person
4. The importance of human relationships
5. Integrity
6. Competence

The values of human rights and the importance of scientific inquiry support these core values.

The social work curriculum promotes the social work mission through providing the theoretical concepts, a broad knowledge base, and the applied skills necessary to improve and enhance the overall well-being of others. The mission is carried out through the professional social work foundation courses which include content on:

- Social work values and ethics

Accreditation
Social Work Programs at the baccalaureate and master’s levels are accredited by the Council on Social Work Education (CSWE). The Social Work Program at Concordia University is fully accredited by CSWE.

CSWE Accreditation establishes uniform educational standards for social work students to insure students acquire the highest standards of professional training and practice. Additionally, an accredited program qualifies graduates for advanced standing in graduate programs that grant the Master of Social Work Degree (MSW). This status typically makes it possible for BSW graduates to earn an MSW in three semesters. Students who receive their BSW can also join The National Association of Social Workers (NASW), the largest professional association of social workers. Finally, students who graduate from accredited social work programs are eligible to apply and take the examination for state licensing or certification for professional social work practice. Social workers, who successfully complete the baccalaureate degree requirements at Concordia University Wisconsin, graduate from a program accredited by the Council of Social Work Education and receive a Bachelor of Social Work degree (BSW).

Field Education (Internships)
The curriculum design for field education is incorporated in two semesters and involves the accumulation of 450 hours of fieldwork. Field experience offers students the opportunity to test and demonstrate their abilities and knowledge in a supervised educational setting. Social work majors, are required to enroll in SW 327 Field Ed I and SW 427 Field Ed II. In conjunction with Field Education, students are required to enroll in SW 328 Field Ed Seminar I and SW 428 Field Ed Seminar II. Participation in the seminar is to be concurrent with field education. The seminar format will provide for the integration of field experience with classroom learning through discussion and assignments. The Department of Social
Theological Studies

Major: Theological Studies

God reveals himself through his Word and, to a lesser degree, through his world. The Theological Studies Major examines the Bible, God's revealed Word, in broad introductory overviews of the Holy Scriptures (isagogics) as well as in close reading of a particular biblical book (exegetical studies). The major also studies God's providence in history. In addition, students receive practical training in the application of their studies in ministry to others. The Theological Studies Major offers some students the opportunity for a vocation in church, either as a primary or secondary calling.

Through participation in, and upon completion of, the Theological Studies Major at Concordia University Wisconsin, students will:

• Have a greater understanding of God's Word, the Holy Scriptures
• Appreciate the value of sound Christian doctrine based squarely on the Bible
• Develop a heightened awareness of God's working throughout history
• Grow in their relationship with Christ and put his teachings into practice in their vocations
• Employ various methods of delivering and defending biblical truth in a relevant and practical way to diverse groups
• Demonstrate an understanding of research skills

Students who complete this major and wish to become certified as LCMS lay ministers should apply to the Director of Church Ministries Certification Program. They may get application forms from the church ministries office at churchministriesprogram@cuw.edu or at 262-243-4343. Applicants must be of good moral character and must meet other qualifications specified by the program. They will also need to complete the remaining courses in the program.
