Our Master of Social Work (MSW) faculty invite you to join them to learn more about our program. Topics will focus on frequently asked questions regarding the social work program. These include:

1. What is the difference between advanced standing and generalist?
2. Can I work full-time while in this program?
3. How does the field placement piece work?
4. What does the course work/load look like?
5. Are there scholarships available or how does financial aid work?
6. Does this program lead to LCSW licensure?
7. How is the “Christian” piece worked into coursework?
8. How and when to apply

In addition, our faculty will go into detail about the new Opioid and Substance Use Disorders Certificate Training Program.
