

ACTIVITY ANNOUNCEMENT

Title: Caring for Transgender Populations

Target audience: Pharmacists & Pharmacy Technicians

Activity Type: Knowledge-based activity

Amount of CPE credit: 1 contact hour

Speaker: Andrea Devereaux, PharmD, AAHIVP
Vivent Health
PGY2 Ambulatory Care Resident

Educational goal: This activity will educate pharmacists and pharmacy technicians on appropriate and respectful communication methods when working with transgender patients.

Learning Objectives for Pharmacists:

1. Identify the appropriate pronouns for patients who are transgender, when working through patient cases.
2. Recognize common barriers experienced by patients who are transgender, when working through patient cases.
3. Develop an appropriate gender-affirming pharmacotherapy regimen for a patient who is transgender based on patient characteristics, when working through patient cases.

Learning Objectives for Pharmacy Technicians:

1. Identify the appropriate pronouns for patients who are transgender, when working through patient cases.
2. Recognize common barriers experienced by patients who are transgender, when working through patient cases.

Live Presentation: February 24, 2021; 2:00-3:00 pm
ZOOM at <https://cuwaa.zoom.us/j/99477984756>
Meeting ID 944 7798 4756
If needed, audio can be accessed by dialing 301 715 8592 or 312 626 6799
