

THE CENTER FOR ACADEMIC ADVISING & CAREER ENGAGEMENT

Third Year Career Engagement Plan

- Meet with your Academic and Career Advisor
 - Utilize career tools and techniques to strengthen your professional network
 - Create an internship/job strategy during the Fall semester to plan for a substantive summer internship
 - Work with your Advisor to capture the skills and knowledge you acquired while abroad
- Develop your post-graduate career plan
 - Research graduate school options and timelines, if this is a step in your career plan
 - Continue researching career professions and target organizations/industries
 - Focus on experiences in your field of study that prepare you for your future career
 - Consider leadership positions within campus group involvement
- Update [professional documents](#) and profiles
 - Include second year campus and summer experiences
 - Utilize recommended career and internship search platforms; use the [job search organizer](#)
 - Focus on your [personal brand](#) and monitor your [digital footprint](#)
 - Practice and review your [elevator pitch](#)
 - Master interviewing skills
- Continue to build career connections and expand relationships with faculty
 - Build alumni relationships through [CUW Connect](#)
 - Seek a mentor in your field of interest
 - Develop networking skills; consider joining a professional association
- Career events
 - Attend career fairs, workshops and employer information sessions
 - Explore job shadow, mentoring, and networking experiences
- Secure an internship or job that relates to your field of interest
- Reflect on what vocation means
