Concordia University Undergraduate Research Grants

The Office of Research & Sponsored Programs is pleased to offer grants in support of undergraduate research. The grants are for supplies and travel related to undergraduate students' engagement in research projects that occur between January, 1 and May 31, 2019. The maximum grant award is \$500.00 which can be used for supplies and travel directly related to the research project. The request for funding should be accompanied by a **project description and the budget form**. Grants are competitive and the number is limited so it is important that **all** requested information is provided with your proposal. Applications **must** be completed by students and include faculty mentor's signature. Grantees are expected to submit a project summary and participate in a poster presentation. **Applications/Proposals are due in the Office of Research and Sponsored Programs (ORSP) by 4:30 pm on December 10, 2018 – Notification of Awards will be made no later than January 7, 2019.**
