PRECOLLEGE HANDBOOK

Concordia’s Precollege program is managed by the university Extended Campus Office (ECO). This handbook serves as a supplement to the ECO handbook that contains ALL online learning policies.

ACCREDITATION
Concordia University is accredited by the Higher Learning Commission, a regional accreditation agency recognized by the U.S. Department of Education.

LOCATIONS AND ORGANIZATION
Concordia has one president and governing body presiding over residential campuses in Mequon, Wisconsin (CUW) and Ann Arbor, Michigan (CUAA), satellite center campuses, and an online learning community reaching students worldwide.

GOALS FOR CONCORDIA PRECOLLEGE
Concordia offers Precollege courses to:
• Help fulfill the Concordia University mission.
• Provide greater accessibility to higher education.
• Facilitate enhanced partnerships with the high schools.
• Ease the student transition to higher education.
• Deliver honors options for high school students.

STRUCTURE OF COURSES
• All course syllabi and instructors are approved by Concordia University program directors.
• Courses are not self-paced but have weekly deadlines. Fall and spring courses follow the 15-week traditional undergrad student calendar. Summer online courses are condensed into a 10-week schedule.

COURSE OFFERINGS
The precollege webpages (cuw.edu/precollege or cuaa.edu/precollege) list courses available.

High school students may enroll in a college course in one of these formats.
• **Online:** Students are led by an instructor through readings, videos, assignments, and discussions using learning management software. Students may login anytime during the week to meet deadlines. Courses may be filled or dropped based on demand. Early enrollment is encouraged.
• **Blended/Embedded:** High schools with a teacher with a minimum of 18 graduate credits in the subject taught may offer a Concordia course in a face-to-face setting at the high school taught by the high school teacher. A high school may ask Concordia to provide an adjunct instructor to teach a course at the high school.
• **Face-to-face (on-campus):** Students may take an introductory level undergraduate course in person at either the Mequon or Ann Arbor campus. This expands the course offerings available to high school students. Students may be required to purchase textbooks. Precollege students can only enroll in courses with seats available and are not guaranteed enrollment. Not all on-campus courses are available to precollege students.
ADMISSION REQUIREMENTS
Honors-level grade 9-12 students of typical high school age are eligible to apply. Students should have self-discipline, motivation and available time to complete college-level coursework.

Minimum precollege admission requirements:
1. Students must have a 3.0 grade point average in high school core academic subjects.
2. Typically, juniors and seniors enroll but freshmen and sophomores with an 11th grade reading and writing skills may be admitted. A writing sample or test score may be required for younger students.

   b. Seniors MAY enroll in a summer course the summer following their high school graduation.
   c. High schools may apply higher entrance requirements and may limit which courses are offered.
   d. Precollege acceptance does not guarantee subsequent undergraduate acceptance at Concordia.
   e. Traditional undergraduate students need director permission to take online precollege courses.

TIPS FOR SUCCESS

1. MEMORIZE OR WRITE DOWN YOUR F00 You will need your F00+6-digit Concordia ID number as your login ID. Use F + zero + zero (don’t use the letter ‘O’).

2. CONCORDIA SINGLE-SIGN ON
Concordia uses a single sign-on system allowing students to login into Blackboard, the Portal, email, and the library using the same login ID and password. You should only need to remember one password for all Concordia logins.

3. CONCORDIA EMAIL (first.last@cuw.edu or first.last@cuaa.edu)
During a course, communication from the instructor and precollege office will be through Concordia email. Students should check their Concordia email at least 3 times per week during a term.

   New Students – Set-up your Concordia email and password
   a. For new students, Concordia’s IT Office creates an email account (either @cuw.edu or @cuaa.edu).
   b. An initial temporary password will be sent to the student’s personal email (provided during the admission process) with directions for setting up the email password through the Portal.
      • Visit the portal at my.cuw.edu or my.cuaa.edu
      • Enter your Student ID (F00...) as your username
      • Login with the temporary password we emailed to you after being accepted
      • Set a permanent password
   c. If you need help with a password, contact the IT Helpdesk at 262-243-4357 or ITHelpdesk@cuw.edu
      You will need to provide your F00, date of birth, a personal email address, and the last 4 of your SSN.

How to Access Your Email Account
An email video tutorial is available at Access Concordia email Video.

Option 1 Through the Concordia Portal:
   • Login my.cuw.edu or my.cuaa.edu using your Concordia login credentials (F00# and password).
   • Click on the envelope icon in the upper right corner of the portal.

Option 2 Accessing Email directly: Students from both campuses visit outlook.office365.com

Sending Email through Blackboard
Blackboard has a SEND EMAIL tool to send a message your instructor and/or classmates Concordia email inbox. There is no way to READ emails in Blackboard. You will need to use the directions listed above to read emails.

Accessing Concordia Email Through A Mobile Device (optional)
Concordia email is a Microsoft Exchange account and can be added to any device with a compatible email app. This would eliminate the need to login to email through the Portal or Office 365.
If your device has an Outlook app or the option to use exchange from Gmail or the default email app, use that.
   • If no existing Outlook or Gmail option on your device, in your device settings, find where to add an email account, and choose to add a new account. Select type as Exchange.
   • Username is the entire Concordia email address (not just your user name)
If it fails to automatically find the settings, on the settings page:
   • Server is outlook.office365.com
   • Domain is blank
   • The rest of the settings can stay the same.
You can reference Microsoft’s Outlook Help Page for additional help.
If you need assistance, give the IT helpdesk a call, 262-243-4357.

4. RESET/CHANGE YOUR PASSWORD
If you have already created your password, you can reset your password using the Self-Serve Password option.
   Use domain CUA if your email is @cuaa.edu or use domain CUWS if your email is @cuw.edu
You can also reset your password on the Portal my.cuw.edu or my.cuaa.edu, and before signing in, select the “Click Here for Help” link. Follow the directions for changing your password.
