CONCORDIA
UNIVERSITY
WISCONSIN

CHOOSE CONCORDIA

Concordia University Wisconsin is a Lutheran higher education community committed to helping students develop in mind, body, and spirit for service to Christ in the Church and the World.

At Concordia we offer 25+ graduate and professional programs. We understand that obtaining an advanced degree may be challenging, but rewarding because of the opportunities it will bring for advancement and growth. Your degree will allow you to make a difference in the lives of people every day. At CUW, faculty members are committed to our students by providing educational experiences both inside and outside the classroom. Their personalized attention allows them to know you as an individual and share their knowledge with you to live out our mission.

PROGRAM BENEFITS

At Concordia University Wisconsin, you will gain practical skills and enjoy individual attention to advance professionally, personally, and spiritually. Whether you want to advance in your current career or explore in new directions, CUW can help you achieve your goals. Our graduate programs offer:

Flexibility

Most programs allow you to enroll as a full-time student or combine graduate studies with your professional career. Your advisor will work with you to tailor a class schedule to meet your needs including:

- Weekend and evening courses
- Online courses
- Accelerated summer courses
- Many off-campus locations

Academic Excellence

Challenge yourself and advance your career through academics built on a solid Christian foundation. Our superb faculty takes pride in keeping each graduate program at the forefront of its field.

Faculty with practical experience

Learn from dedicated professionals who offer real-world experience in your area of study. Draw on their unique insights to develop skills you'll use every day.

Hands-on learning

Get out of the classroom and into the field, gaining valuable experience as you take theory into practice. Our graduate classes are designed around interactive, hands-on learning.

Individual attention

Flourish in an open atmosphere where small class sizes ensure that you receive plenty of personal attention. Your professors take the time to understand your vision, your learning style, and your needs. They are determined to help you succeed.
