ACCELERATED PROGRAMS

Concordia University Wisconsin is a Lutheran higher education community committed to helping students develop in mind, body and spirit for service to Christ in the Church and the world.

CUW’s accelerated programs are designed with the working adult in mind. The coursework is tailored to the needs and unique capabilities of the adult learner, and places a strong emphasis on direct application of the course material to the student’s career.

Our programs are offered at the main campus in Mequon, WI as well as nine convenient off-campus locations in Wisconsin and Missouri, or online. Three credits can be earned in six weeks, with classes meeting one night per week.

APPLY ONLINE AT: CUW.EDU/APPLY
Flexible
Courses are available in both classroom and online formats. You can mix and match to best meet your needs. While the schedule is set up to meet on a consistent night, there are many scheduling options available. Students will have a home center but may take classes at any of our center locations or online.

Accommodating
Students are able to transfer up to 80 credits into the program. We will accept credit for courses with grades of C- or better and at least 1 credit. CUW has a statewide articulation agreement with the Wisconsin Technical College System. We also offer non-traditional ways to earn credit - such as DSST and CLEP tests and portfolio.

Affordable
Tuition at Concordia is one of the most reasonable in the area and is paid on a per-course basis. Books and materials are included for most of the undergraduate programs through our book loan program. Federal financial aid is available for those who qualify in the form of grants and loans.

Quality
Concordia is accredited by the Higher Learning Commission of the North Central Association, as well as by all relevant state and federal agencies. Ongoing assessment of our academic programs and customer service activities help to maintain our high standards of quality.

Excellence
Concordia has been serving the needs of students since 1881 and adult students specifically since 1987. Excellence has been the goal at Concordia from the beginning. Your professors will be experts in their fields and gifted in their ability to share that knowledge.

Convenience
Our 10 Accelerated Learning Centers located near your work or home make it easy to attend class one night per week for 6 weeks. There is little group work required in our programs. Several programs are also offered in a fully online format.

The following programs are not offered at all Accelerated Learning Centers. Please contact the location nearest you to inquire about their offerings.

FREQUENTLY ASKED QUESTIONS

When do classes meet?
Classes meet one night per week Monday-Thursday from 6-10pm throughout the year. Each class is six weeks in length.

Are online classes available?
Yes, we offer online courses in all programs and some programs are available in a fully online format.

When can I enroll in a CUW program?
We operate on a rolling admission basis with new terms starting every 6 weeks. You can start at any point throughout the year.

Who are the instructors?
Our instructors hold a minimum of a Master’s degree or higher and have work experience in their area of expertise.

Do you accept transfer credit?
Yes, students may transfer a maximum of 80 credits from regionally accredited schools. Courses must be college-level with a grade of C- or better.

May I attend the accelerated program at CUW without having previous college credits to transfer?
Yes. However, work experience is helpful due to the practical nature of the coursework.

How long will it take me to complete the program?
The length of time to complete depends on the number of credits transferred in, as well as whether or not students complete elective credits through non-traditional means such as Portfolio and CLEP/DANTES. In the accelerated course format, students can complete 24 credits in a year, taking one class at a time.

Can I receive credit for training that occurred outside the classroom setting?
Yes. Students may do this through Portfolio Assessment. Up to 21 elective credits (toward BA) or 7 credits (toward AA) may be earned. Students will develop petition for credit providing documentation of college-level knowledge gained from their experience.

Can I receive credit for training I have done at work?
Students may earn college credit for in-house company training or professional development courses taken through professional associations or commercial training firms. ACE, PONSI, LOMA, and AIB are organizations that validate for-credit coursework completed. Official transcripts must be submitted.

Do you accept military credits?
Yes. Please contact your military branch to have transcripts mailed to Concordia. Credit is granted based on the evaluation of an official Joint Service Transcript. DD 214 documentation is needed for service prior to 1981.
