Concordia for now; **CONCORDIA FOR life**

Concordia University Wisconsin offers a welcoming campus community where everyone is known—you are never just a number in a classroom—and has endless ways to get involved and be included. You can choose from tons of sports, clubs, programs, and classes to help you spread your wings, select a career path, make life-long friendships, and have unforgettable experiences! We help to prepare students for more than just the next four years; Concordians graduate fully prepared to live an uncommon life of purpose and service giving back to Christ, the Church, and the world!

*Come see for yourself.*
All colleges are invested in expanding your knowledge. At Concordia, we seek to open your mind, eyes, and heart to new concepts, ideas, and solutions. You’ll be challenged in the classroom and encouraged to try new things, interact with different people, and pursue uncommon opportunities throughout campus. Don’t worry! You won’t do any of this alone. You will receive the guidance you need to stretch and grow into the person you were uniquely created to be.

Can’t quite decide? Our Undeclared Process is there to assist students in declaring a major best suited for them. Students work closely with their Academic and Career Advisor through phases of discovery—self exploration, major exploration, and career exploration—students who are undecided will be prepared to make a sound decision and be set up for academic success.
It’s easy to live a healthy lifestyle at Concordia. With 32 varsity athletic offerings and year-round intramurals, a majority of our students take pride in being active and competitive. If you are looking beyond organized sports, our beautiful campus on Lake Michigan, complete with courtyards, athletic fields, wide open spaces, and our own sandy beach, inspires deeper breaths, longer walks, and lingering conversations over unforgettable sunsets.
Beyond THE GAME

Athletics are a big part of our uncommon way of life, and cheering on our Falcons is a favorite campus pastime. Whether you compete on the field or paint your face blue on game day in support, you’ll feel a difference among our student athletes and a higher purpose in the level of competition. All Falcons are holistically prepared—in mind, body, and spirit—by coaches who are mission-fits first. Athletes attend chapel and spend devotion time together to be prepared for life, service, and leadership, not just the next game.

We're not just about living for ourselves. Our vibrant Christian community is united in faith and put into action in service to God, His Church, and the world. Your opportunities to strengthen your relationship with Jesus are not limited to worship. He is among us, and guides us in the classroom, on the fields, throughout the halls, and within our hearts. His living presence in our busy campus lives can only be described as uncommon.
FIND others INTERESTED IN YOUR INTERESTS

A Concordia experience would not be complete without the extracurriculars—athletics, clubs and student organizations, events and activities, concerts, theater performances, service opportunities—the list goes on. Explore all the ways you can get plugged in: cuw.edu/life

Our Campus Ministry groups give students ways to live out and strengthen their faith on a weekly basis! Concordia offers daily chapel opportunities, our Haven contemporary devotion, Sunday worship service, Bible studies and many more ways to come together to share His word in celebratory rejoicing! Beyond campus, Concordians give back locally through service to congregations and organizations in need, and throughout the world by participating in life-changing mission experiences.

As your home-away-from-home, we offer several different rooming options from singles to quads and suites in eight different residence halls so you will, no doubt, be comfortable! Outside of your residence hall, there’s a world of things to do and people to meet on campus—people who will treat you like family. Check out our res halls at: cuw.edu/reshalls
Concordia’s breathtaking campus is conveniently located just 20 minutes north of Milwaukee on the shoreline of Lake Michigan. If you ever tire from the fresh lake air, inspiring views, or the spontaneous gatherings on the lawn of the Chapel Courtyard, we’ve got you covered. The entire campus is connected by almost four miles of heated underground hallways!
