Submitted by: Dr. Carrie Bath-Scheel, Department Chair of Occupational Therapy

Recipe Fun Fact: I used this for a demonstration speech in high school and have used it ever since.

Ingredients:

- Large (1 lb.) bag miniature marshmallows
- 1-20oz. can of crushed pineapple
- 2- 3.5 ounce boxes of pistachio pudding
- 2- 12 oz. containers of cool whip (thawed)
- Chopped pecans (1/2 cup)

Instructions: Drain most of the juice from the can of pineapple, pour the pineapple into a large bowl, add the pudding (just the dry mix) and mix well. Then add the miniature marshmallows and the pecans. Mix these ingredients well. Best if served cold.
