# Coburg Residence Hall

Students who stay on campus over the summer reside in Coburg- one of our residence halls.

Building features:

- Coburg is air-conditioned and provides views of Lake Michigan
- Each suite contains a shared, unfurnished common space and 4 individual furnished bedrooms, along with a shared microwave, fridge and bathroom/shower space
- Coburg contains community kitchens on floors 2, 3, 4, and 5
- Coburg provides communal lounges and study rooms on each floor and balcony access on floors 3 and 5
- Coburg also has cable connections available for individuals who wish to bring their own TVs

# Food & Amenities

Because Coburg is a residence hall and cannot provide hotel amenities, there are a number of considerations to be aware of if opting to live on campus.

- Food: while we do have on campus dining, options are limited and hours of operation depend on factors out of our control. As a result, many of our students prepare their own meals.
  - Our communal kitchens have basic supplies (pots, pans, etc...) but you are also encouraged to bring your own
  - There are a number of grocery stores and restaurants within a 5-10 mile radius of campus
- Linens: We do provide basic linens upon your arrival, but you may also bring your own. Provided linens include: towel, washcloth, pillowcase and bed sheets
- Parking and WiFi: There is free parking available during the summer months and students have access to the campus WiFi while using their student account.

# Policies

There are multiple policies all students should be aware of if considering living on campus.

- CUW is a dry campus. This means we do not allow the consumption or possession of alcohol on campus, regardless of age.
- Smoking of any kind is not permitted in any building or corridor.
- Guest policy: Overnight guests are not allowed during the summer months. (To view our visitation hours, click on the Student Code of Conduct link below).
- We do not allow pets on campus. If you have a service animal or ESA, you must contact our Office of Accessibility Services to complete all necessary paperwork.
- All students and off campus guests approved for housing agree to abide by and uphold all campus policies outlined in our [Student Code of Conduct](#).
