<b>Goal 2: Mission</b> The Physician Assistant program at CUW prepares students to become competent physician assistants who provide high quality health care in a respectful, culturally sensitive, caring and knowledgeable manner. CUW PA graduates are committed to caring for patients in mind, body and spirit with an emphasis on continual lifelong learning.	<b>2.a. Faculty</b> 75% of program faculty (including the PD and DCE) will represent the profession at the university, state, or national level.	PD: university DCE: university and state PF1: university and state PF2: university	<i>New goal tool for assessment- no previous data available.</i>	<i>New goal tool for assessment- no previous data available.</i>	2023: Goal met and exceeded. 100% of faculty represent the PA profession	PD: Program Director DCE: Director of Clinical Education PF: Primary Faculty
	<b>2.b. Alumni</b> 90% of graduates continue to be a certified PAs (Lifelong learners) for 10 years after graduation	The program has not had 10 years' worth of graduates to meet benchmark. Data is still gathered on all graduates to observe for trends prior to the 10 years.  In 2023, 233 of the 234 (99.57%) students who graduated from the CUW program remain certified.			Benchmark met for percentage, awaiting 10 years of graduates.	<u>Rationale:</u> In order to continue to be certified as a PA, the graduate will need to complete the required continuing education. This will indicate life-long learning

<b>Goal 3: Interprofessional Education (IPE)</b> The program will prepare graduates to work effectively in interprofessional health care teams.	3.a. All students will participate in at least three interprofessional educational experiences with a minimum of three different health professional students.	100% student participation in TeamSTEPPS (DMS, SLP, PT, SW)	TeamSTEPPS (PT, SLP, OT, MSRS, DMS, BSW) Governor's Committee for People with Disabilities (PT, OT, SLP, BSW, DMS) Campus IPE event (SLP, OT, MSRS, DMS, BSW) Refugee Event (PT, MSRS, SLP)	TeamSTEPPS (PT, SLP, OT, DMS, BSW) Campus event (Pharm, PT, SLP, DMS, BSW, MSW, AT, Nursing, MCW Med students Refugee event (PT, SLP, MSW, BSW, OT)	<i>New goal tool for assessment-no previous data available.</i>	<i>New goal tool for assessment-no previous data available.</i>	Numerous events were offered for the cohorts of 2023 and 2024, but attendance is not verified. Determination of completion cannot be completed without making assumptions. Will continue to monitor and report for the class of 2025.	For the cohorts of 2023 and 2024, the number of IPE events in considered. There is difficulty ensuring all students attended all events prior due to faculty changes. The program will begin to ensure student attendance with the class of 2025.
